This method does not require a internet connection on your phone. This will enable you to quickly get your Wiko locked free (if you have not already done so). If you already unlocked your Wiko, this method will enable you to quickly get the latest firmware update (this will be applicable if you use custom firmware). What is the Wiko K8X? The Wiko K8X is one of the best budget mobile phones in 2017 that has a 5.5-inch HD LCD screen, is protected with a 2-stage water resistant design, and features a 21MP rear camera (with AI capabilities). The Wiko K8X has a quad-core processor, 2GB of RAM, 32GB of storage, a Micro SD card slot, a fingerprint scanner, a 3,000mAh battery, and runs Android 7.0 (Nougat). The K8X also has an internal storage of 32GB. The Wiko K8X is available at multiple online stores for a price starting from RM 959.00 to RM 1,139.00. Table of contents The Wiko K8X comes with a user manual that can be accessed in the settings of the phone. The Wiko K8X manual includes many important information on how to use the phone, set up the device, and protect your phone. It also includes information about warranty and how to buy a replacement screen. The Wiko K8X manual covers the following topics:

Definitions The Wiko K8X screen is not a touchscreen. The Wiko K8X features three touch points: one at the back of the phone, and two at the sides of the phone. How to setup and set up the Wiko K8X How to open the menu How to change the Wi-Fi network How to change your Google account information How to set up the phone for the first time How to change the battery How to change the clock How to set up the Wi-Fi and cellular network How to configure the phone for the first time How to set up Wi-Fi and cellular networks How to enable the mobile data How to change the SIM card How to change the mobile network How to protect your Wiko K8X How to protect the Wiko K8X against the rain How to protect the Wiko K8
